Dear AJC,

This is to update you on the generous Grant you have awarded to us.

We are so grateful for this gift you have given to us and thank you for choosing us as one of your awardees. This must be a very difficult challenge for you to do but we do thank you again.

One of the principals uses for the money is our commitment to maintain the charges for our self-help groups we have here at the Centre, which we have everyday of the week. We charge a minimal £10 per session and would like to keep it at this price for at least the next two years, and with your help we can now do this.

We also have Pastor Marco with his church group who now come in every Sunday afternoon for their service. We have not charged them anything and sometimes they give us an offering but this is not every week, so again this grant has been incredibly helpful to us.

The above formed part of our application although we also have many church groups throughout the week who have regular meetings which again, we do not charge anything for.

Once again, many thanks for your support this year it has been invaluable to our ongoing ministry here at St Paul's Centre.

Kindest regards

Suzanne Fowler
